

Take it Back

Community Drug Take-Back Event!

What: Drug Take-Back Event

Date: April 14, 2011 **Time:** 10:00 a.m. - 2:00 p.m.

Where: Front Steps of the State Capitol Building, Montgomery, AL

Why: It is important to remove potentially dangerous controlled substances from our nation's medicine cabinets. The **Alabama Pharmacy Association** and the **Montgomery Police Department** have joined together for this event to increase awareness about medication safety. Everyone needs to take advantage of this opportunity and empty their medicine cabinets of expired, unwanted, or unused pharmaceutical controlled substances and other medications. These drugs are a potential source of supply for illegal use and an unacceptable risk to public health and safety. Protect your loved ones and your community. The Alabama Pharmacy Association encourages you to get involved - Take it Back!
